Team Leaders (underlined), should contact team prior to beginning of month.

If dates do not suit, please exchange with someone else and notify the team leader for the month.

Counters: Please inform the Office if the Counting Roster is changed.

I would be pleased if you would arrange your own substitute or negotiate a swap with a person on another day. Contact phone numbers and detailed instructions are included on the printed version distributed to each member of the team at the beginning of the year.

Many thanks

Ruth Churcher
